AUDEMARS PIGUET COLLECTOR'S ITEM

To mark its 150th anniversary, Audemars Piguet unveils a highly exclusive edition of the Royal Oak Perpetual Calendar, limited to just 150 pieces. The model blends modern materials with traditional watchmaking – featuring an ultra-light titanium case and the Royal Oak's signature octagonal design. Its standout feature is the transparent sapphire dial, offering a clear view of the intricate perpetual calendar. Subtle displays for day, date, month, and moon phase, along with openworked elements, showcase the technical finesse and craftsmanship behind the piece. A true collector's item that merges innovation with an iconic design.
